

Ahmednagar Jilha Maratha Vidya Prasarak Samaj's

New Arts, Commerce and Science College, Shevgaon

INTERNAL QUALITY ASSURANCE CELL

CRITERION-6: Governance, Leadership and Management

QIM. 6.2.1 Institutional Quality Policy

Institutional Quality Policy

- **Introduction:**

New Arts, Commerce and Science College were established in the year 1978 to impart education in the vicinity of Shevgaon Tahsil. Since its inception, it has been imparting quality education through various programmes. It has emerged as one of the leading educational institution in last 40 years.

- **Vision of the College-** “To be recognized as a premier institute that provides multidisciplinary, inclusive, affordable quality education to bring about holistic development of students through both traditional and innovative pedagogy”

- **Mission of the Institution:**

- To impart quality education through traditional and innovative learning practices
- To provide inclusive and empowering learning opportunities
- To nurture scientific inquisitiveness and research aptitude
- To instil social commitment and ensure sustained development
- To make students responsible citizens.

In order to realize its vision, all possible efforts are taken by the college. The college sees that, the holistic development of student is achieved through providing multidisciplinary, all inclusive, affordable quality education. It has been our endeavour to provide empowering learning opportunities and nurture scientific inquisitiveness, research aptitude, and social commitment among students. College feels it its duty to make all round development of students’ personality and make them responsible citizens. Its governance and leadership is in tandem with institution’s vision and mission. Institution is governed by various bodies at different level, which reflects its decentralized and participative governance. Following committees are a testimony to this statement.

- **Objectives:**

1. To impart education to economically deprived classes of the society.
2. College is also committed to its vision and mission, to enhance academic excellence of the students through quality education and make them honest, well trained for upcoming challenges.
3. To provide physical facilities to the faculty to develop E-content in teaching and Learning.

4. To provide advanced learning resources to upgrade the knowledge of the faculties for enjoying natural experience of Teaching, and Learning. Apart from this, it also improves the quality of curricular, extracurricular and co curricular activities.
5. To improve the quality of education, college conducts transparent feedback system, which helps to improve the services and facilities of the college.
6. To implement transparent assessment and evaluation system for maintaining the standards of examination. Examination department follows the standard rules and regulations of the UGC and SPPU.
7. Governing Council and IQAC give an assurance and continuously monitor for quality improvement that is helpful for effective management and services.
8. To organize seminars, workshops, webinars and quality enhancement activities for the student to enhance their capacities.
9. IQAC of the college prepares a systematic academic plan that effectively implements throughout the year. Every stakeholder works responsibly according to plan and ensures to maintain the quality of the institutions.

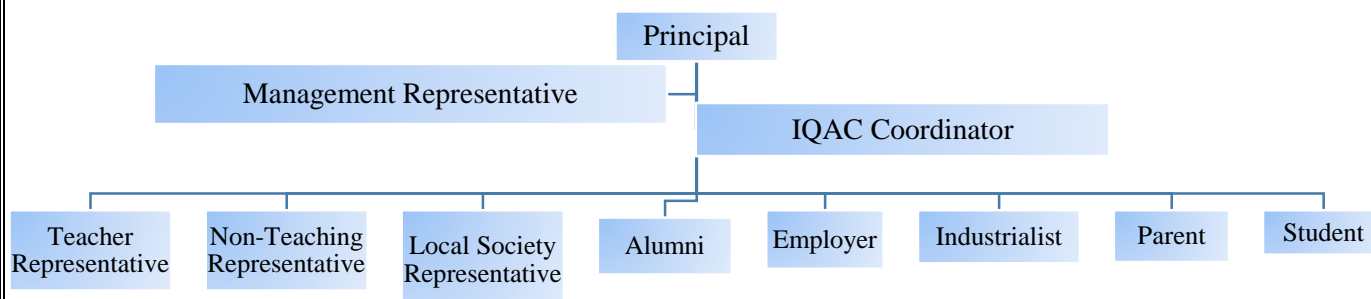

- **Statement of Policy:**

The college is responsible for implementing, executing and sustaining quality culture through effective management system. The governing Council, Management, IQAC, College Administration, Faculty and the entire stakeholder collectively works for enhancing academic excellence and standards of the education.

- **Quality Policy Implementation:**

The college has established an Internal Quality Assurance Cell that continuously monitors and effectively works on the vision and mission from page to reality and it also try to achieve the academic excellence and maintain quality culture that is committed in policy statement, with the help of UGC guidelines.

- **Composition of IQAC:**

The Internal Quality Assurance Cell (IQAC) of the college is primarily focused in internal quality. The University Grants Commission (UGC) and the National Assessment and Accreditation Council (NAAC) have laid the onus of quality enhancement of colleges on the IQAC. The primary objective, thus, of the IQAC is look into rather than at the college processes with a perspective of providing quality to all stakeholders.

• **The crucial responsibilities of IQAC:**

1. IQAC will develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
2. IQAC is responsible to maintain academic excellence in the college.
