

Grievance Redressal Committee

ANNUAL REPORT 2018-19

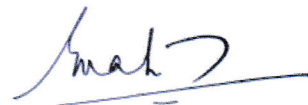

The Grievance Redressal Committee was established in college to address to the grievances of students, faculty and non-teaching staff. This Committee solves the matters related to academic and infrastructural problems.

In the academic year 2018-19, the grievances filed by the students were solved as per the mechanism of grievance redressal committee as follows:

- First of all, the complaint was registered by checking whether the complaining student belonged to the college or not.
- Students' accommodation issue was solved by allotting room in the college hostel.
- As per their demand, it was seen that their rooms were cleaned regularly.
- A complaint about the quality of food was also addressed.
- The Principal, Coordinator and members assisted in solving the problems.
- Finally, the grievances of all the students staying in the hostel were redressed in time.
